#### **Useful Information to Maximize Benefits**

- *To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website ([AlabamaBlue.com](http://AlabamaBlue.com)) or call 1-800-810-BLUE (2583).*
- *In-network hospitals, physicians and other healthcare providers have a contract with Blue Cross and Blue Shield of Alabama or another Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard PPO, PMD, Preferred Care). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield of Alabama or its pharmacy benefit manager(s). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.*
- *Out-of-network providers generally do not contract with Blue Cross and Blue Shield of Alabama or another Blue Cross and/or Blue Shield Plan. If you use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area or the average charge for care in the area.*
- *Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information.*
- *Bariatric Surgery, Gastric Restrictive procedures and complications arising from these procedures are not covered under this plan. Please see your benefit booklet for more detail and for a complete listing of all plan exclusions.*
- *Teladoc Health is an independent company that Blue Cross and Blue Shield of Alabama has contracted with to provide you with teleconsultation services. Blue Cross and Blue Shield of Alabama is an independent licensee of the Blue Cross and Blue Shield Association.*
