Open Enrollment 2020

This year's benefits open enrollment period is **October 17 through November 15, 2019**. Your new benefit selections will be effective on January 1, 2020. Annual enrollment is your opportunity to review your current benefits and make changes for the upcoming plan year.

If you do not complete enrollment, your benefits will default to your 2020 premium for the current benefits plan in which you are already enrolled. Please note your HSA contribution election will not automatically renew for 2020. You must re-enroll/make a new HSA election for plan year 2020.
