IN-NETWORK

BENEFIT

Useful Information to Maximize Benefits

- To maximize your benefits, always use in-network providers for services covered by your health benefit plan. To find in-network providers, check a provider directory, provider finder website (AlabamaBlue.com) or call 1-800-810-BLUE (2583).
- In-network hospitals, physicians and other healthcare providers have a contract with Blue Cross and Blue Shield of Alabama or another Blue Cross and/or Blue Shield Plan for furnishing healthcare services at a reduced price (examples: BlueCard PPO, PMD, Preferred Care). In-network pharmacies are pharmacies that participate with Blue Cross and Blue Shield of Alabama or its pharmacy benefit manager(s). In Alabama, in-network services provided by mental health disorders and substance abuse professionals are available through the Blue Choice Behavioral Health Network. Sometimes an in-network provider may furnish a service to you that is not covered under the contract between the provider and a Blue Cross and/or Blue Shield Plan. When this happens, benefits may be denied or reduced. Please refer to your benefit booklet for the type of provider network that we determine to be an in-network provider for a particular service or supply.
- Out-of-network providers generally do not contract with Blue Cross and Blue Shield of Alabama or another Blue Cross and/or Blue Shield Plan. If you
 use out-of-network providers, you may be responsible for filing your own claims and paying the difference between the provider's charge and the
 allowed amount. The allowed amount may be based on the negotiated rate payable to in-network providers in the same area or the average charge
 for care in the area.
- Please be aware that providers/specialists may be listed in a PPO directory or provider finder website, but not covered under this benefit plan. Please check your benefit booklet for more detailed coverage information.
- Bariatric Surgery, Gastric Restrictive procedures and complications arising from these procedures are not covered under this plan. Please see your benefit booklet for more detail and for a complete listing of all plan exclusions.
- Please refer to your benefit book or contact Blue Cross directly about coverage for your hospital charges and other related medical services. Approval for air medical transportation does not mean that hospitalization and other medical expenses will be covered. All coverage determinations for medical benefits are subject to the terms, conditions, limitations and exclusions of the health plan. Air medical transportation services are provided through a contract with AirMed International, LLC, an independent company that does not provide Blue Cross and Blue Shield of Alabama products. Blue Cross is not responsible for any mistakes, errors or omissions that AirMed, its employees or staff members make. Air medical transportation services terminate if coverage by your health plan ends.

This is not a contract, benefit booklet or a Summary Plan Description.

Benefits are subject to the terms, limitations and conditions of the group contract (including your benefit booklet).

Check your benefit booklet for more detailed coverage information.
